

COMPANY PROFILE

BUILD-TECH ENGINEERING
SERVICES (PVT.) LIMITED

ABOUT:

- ▶ **Build-tech Engineering Services (Pvt.) Ltd. was established in Lahore year 2018 having Corporate Universal Identification No. 0114706 and NTN # 7928884-1 and STRN # 3277876151354.**
- ▶ **The company started working as an engineering workshop to undertake steel fabrication, manufacturing and repair of different items of industrial units such as Pressure Vessels, Non-Pressure Vessels, LPG Storage tanks, Oil Storage Tanks, Food and Beverage Tanks, Water Treatment Plants, Evaporators, Condensers, Boilers, Structures and Piping work etc. The Company has capabilities to undertake Engineering and construction services for industrial units like Oil and Gas Industry, Power Plants, Food and Beverages Plants, Sugar Mills, Chemical / Petrochemical Industry, Cement Plants, Fertilizer Plants, Steel Structure, Pipelines, Water Treatment systems, Plant Maintenance and Civil Construction.**
- ▶ **With our creative problem-solving approach, engineering expertise and multiple sources of technologies in one house, we can seamlessly integrate a system for overall operation. Thus, our professional integrated engineering systems improve productivity, product quality and reduce product cost.**

OUR VISION:

“To be the best among leading Engineering and Construction establishments in the region.”

OUR MISSION:

“To undertake business with a focus on organizational growth by recognizing those who contribute to it and building excellence to meet customer’s satisfaction regarding quality, on-time delivery, and HSE.”

OUR COMMITMENT:

“We are committed to provide high quality products and services that meet our customer’s expectations. We shall continue to improve our performance.”

CORPORATE VALUES

- ▶ **Build-tech Engineering Services Pvt. Limited commits to the highest standards of business ethics, environmental sustainability, labor relations and fair-trade practices.**
- ▶ **Build-tech Engineering Services has recognized that our ethical work environment is critical for our ability to support our customer's goals in every location in which we work. Today, this recognition is ingrained in our core values. We strive to maintain the highest standards of business ethics, environmental sustainability, labor and employment, and fair-trade practices, in every project we undertake. And because we know that our customers trust us to work with subcontractors and suppliers who share these fundamental values. We have developed strict prequalification standards for working on our projects. By treating our project partners fairly and using transparent and equitable procurement and management processes, we foster a collaborative environment where all parties can grow and thrive. We encourage and support small businesses, to make our industry stronger, create greater choice for our customers, and grow future markets.**

MAIN LINE OF BUSINESS:

- **Manufacturing**
- **Steel Fabrication**
- **Construction & Erection of Steel Sheds and Structures.**
- **Plant Maintenance**
- **Civil Construction**
- **Trading & General Order Supplier.**

COMPLETED PROJECTS:

- **Installation of 2 Nos. Cones in Dedusting Filter Bodies at Newage Cables , New Chemical Plant.**

► **Repair and Modification of 2 Nos. SS Milk preservation tanks
DiaMETER 2350 x Shell Height 2100 with 3 Nos. Legs**

► **Manufacturing of Cone Flanging Machine at Ravi-Tech Manufacturing (Pvt.) Ltd (Capacity= Dia 7 Mtr, Thk. 6 mm).**

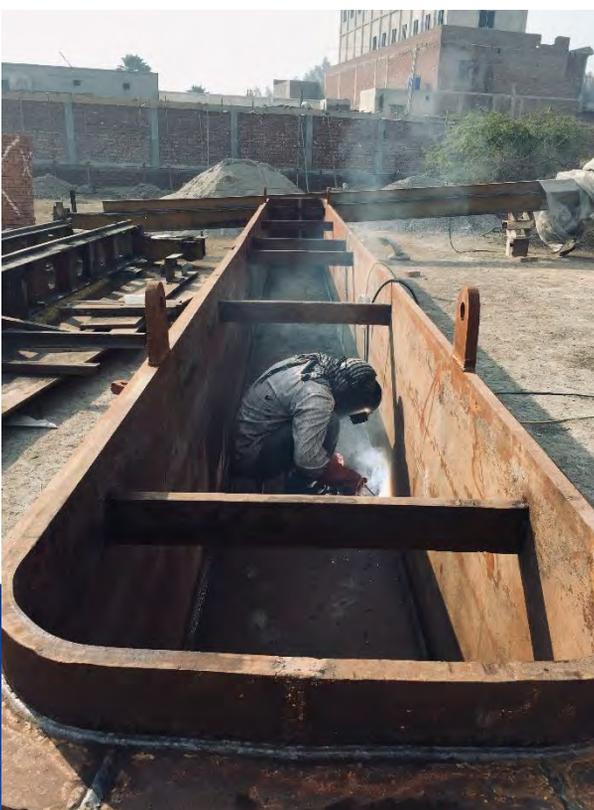

► **Repair and Modification of 3 Nos. SS Milk preservation tanks Dia 2350 x Shell Height 2700 with 4 Nos. legs each**

► **Fabrication and Erection of Fabrication Workshop Shed. Length 450ft x Width 50ft x Height 32ft at F&N Power Muridke.**

► **Complete Welding of Galvanizing Plant Kettle. Length 12200 x Width 1000 x Thickness 30 mm x Depth 1200 mm**

► **Fabrication and Erection of Fat Oil Storage Tank Capacity=130,000 Liters) at Hafiz Soap Industries, Darogawala Lahore.**

► **Manufacturing of 2 Nos. SS Milk Storage Tanks Dia 2760 x Shell Height 4000 x Thickness 6mm with 4 Nos, Legs Each.**

▶ **Manufacturing of 500 Nos. Electrical Panels (DB Boxes).**

► **Manufacturing of SS Balance Tank for Milk Processing Unit.**

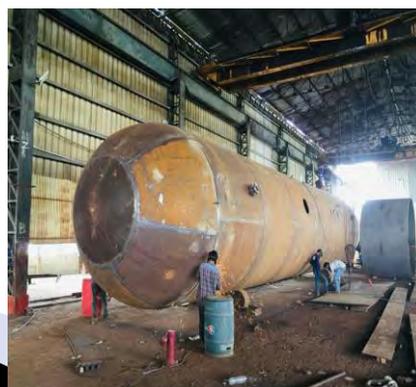

► Fabrication of 88 Nos. MS Pipes (Dia 1727mm x Thk. 12mm x 12500mm LG) for Warsek Canal. (Weight= 560,000 kg Approx.)

► **Fabrication of 10 Nos. Hemi-Spherical Dish Ends of Different diameters from I.D 2200 mm to I.D 3750mm.**

▶ **Complete Fabrication of 2 Nos. LPG Storage Tanks. Capacity = 100 MTONs each with Platform and Stairs.**

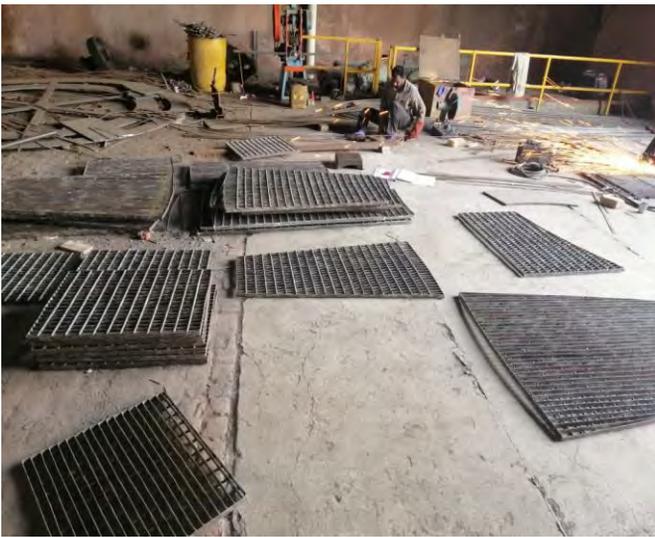

- ▶ **Complete Fabrication of LPG Storage Tank.
Capacity = 50 MTONs with Platform and Stairs.**

► **Complete Fabrication of 9 Nos. LPG Bowsers, Capacity = 30 MTONs each.**

► **Fabrication of MS Grating for Colgate- Palmolive New Plant.**

EXPERTISE

- ▶ **Fabrication of Carbon steel and Stainless steel Industrial Units.**
- ▶ **Manufacturing of SS Tanks for Food and Beverage Industries.**
- ▶ **Manufacturing of LPG Storage Tanks and Browsers.**
- ▶ **Manufacturing of Storage Tanks or Refurbish & Repair of large storage tanks & tank farms.**
- ▶ **Petrochemical Plants Fabrication and Erection.**
- ▶ **Structural Work and Industrial Sheds.**
- ▶ **General Services for Industrial Units.**
- ▶ **HVAC Ducting**
- ▶ **Commercial and Industrial Coolers.**
- ▶ **Civil & Structural Construction and Erection.**
- ▶ **Pipeline & Process Piping Erection.**
- ▶ **Cooling Tower Fabrication, Erection and Commissioning.**
- ▶ **Plant Turnaround & Shutdown Maintenance.**
- ▶ **Short & Long-Term Plant Maintenance for all disciplines.**
- ▶ **Trading and General Order Supplies.**
